Year 4-6 Drama Club runs on Mondays in the infant hall from 3:15-4:30pm. Children will need to bring water and a snack.

We believe that drama is a way for young people to feel part of something inspiring, encouraging, and empowering. Drama develops **interpersonal skills**, **confidence**, **public speaking**, and is a fantastic way to make **lifelong friends**. The club is run by Rob McCloskey, an award-winning professional director, and Oceana Bertino-Kavadellas, a professional actor. Both are skilled in movement, clown, devising, improvisation and more, having trained at École Philippe Gaulier, Grotowski Institute, and East 15.

FREE PLACES - see website for more info.

Every year all ThirdSpace actors work towards two big showcase performances, in prestigious venues such as Brighton Dome, ACCA, Brighton Open Air Theatre, and more. And ThirdSpace itself makes large-scale professional commissioned productions for Brighton Festival (BAKKHAI, Romeo & Juliet, Let it Be a Tale, Earth Teeth), Leonardslee Lights, and other organisations.

We run 15 other clubs per week - check our website for info!
